

SM 57-2

The SM 57-2 pavement saw is the professional solution for jobs which used to require a hand-held cutter. Thanks to its sturdy design and its powerful engine, the SM 57-2 ensures quick and efficient cutting up to a depth of 120 mm (4.7 in.). For added convenience standard equipment includes:

- Indicator scale for cutting depth with preset device
- Water tank
- Water splash guard
- Quick adjustment with foot lock
- Air intake located outside the dust zone above the water tank

## SM 57-2 specifications

Model		SM 57-2
Service weight with empty tanks	kg (lbs)	65 (143)
Service weight as per CECE	kg (lbs)	70 (154)
Blade diameter	mm (in.)	350 (13.8)
Dia. of blade aperture	mm (in.)	25.4 (1.0)
Max. cutting depth	mm (in.)	120 (4.7)
Cutting blade speed	rpm	3150
Circumferential speed	m/sec (ft/sec)	57.7 (189)
Engine		Robin EH 25 D 4-stroke petrol
Max. engine output acc. to DIN 70020	kW/HP	6.3/8.5 /4000 rpm
Operating speed	rpm	3600
Water tank	l (gal)	8 (2.1)
Type of drive		manual

**Saw blade is sold separately**
